

Final Term Lab Task 1

Fool Game

The Game looks like this. There is one label asking the question whether you are a fool or not and two Buttons Yes and No.

If you click on the Yes Button, the following thing happens. Clicking on the Again Button, the game restarts. Clicking on the Exit Button the game Exits.

If you try to click on the No Button, the Button jumps to another location randomly. If only you are not a fool, you will be able to click on the No Button and the following thing will happen. Clicking on the Again Button, the game restarts. Clicking on the Exit Button the game Exits.
